let's arrange a free meeting with no obligation

Let's schedule a no-obligation, free consultation, either in person at my office or via Zoom, to discuss your needs and answer any questions creating your unique wedding day!

I offer flexible scheduling. weekdays are ideal for meetings between 11am and 9PM, depending on my wedding commitments.

My ceremonies are designed to be interactive, emotional, and full of laughter. I handle all the legal aspects, so you can relax and enjoy your special day creating everlasting memories.

I also arrange your legal official marriage certificate recognised internationally. This document is essential for various purposes, including name changes, tax filings, Medicare enrolment, securing bank loans etc. The Marriage Registry Office charges a \$70 fee for the certificate, but my services cover obtaining it at no extra cost to you.

what's the role of the Celebrant?

Preparing and lodging your legal documents needed for the NSW Marriage Office such as your 'Notice Of Intended Marriage' (NOIM) etc

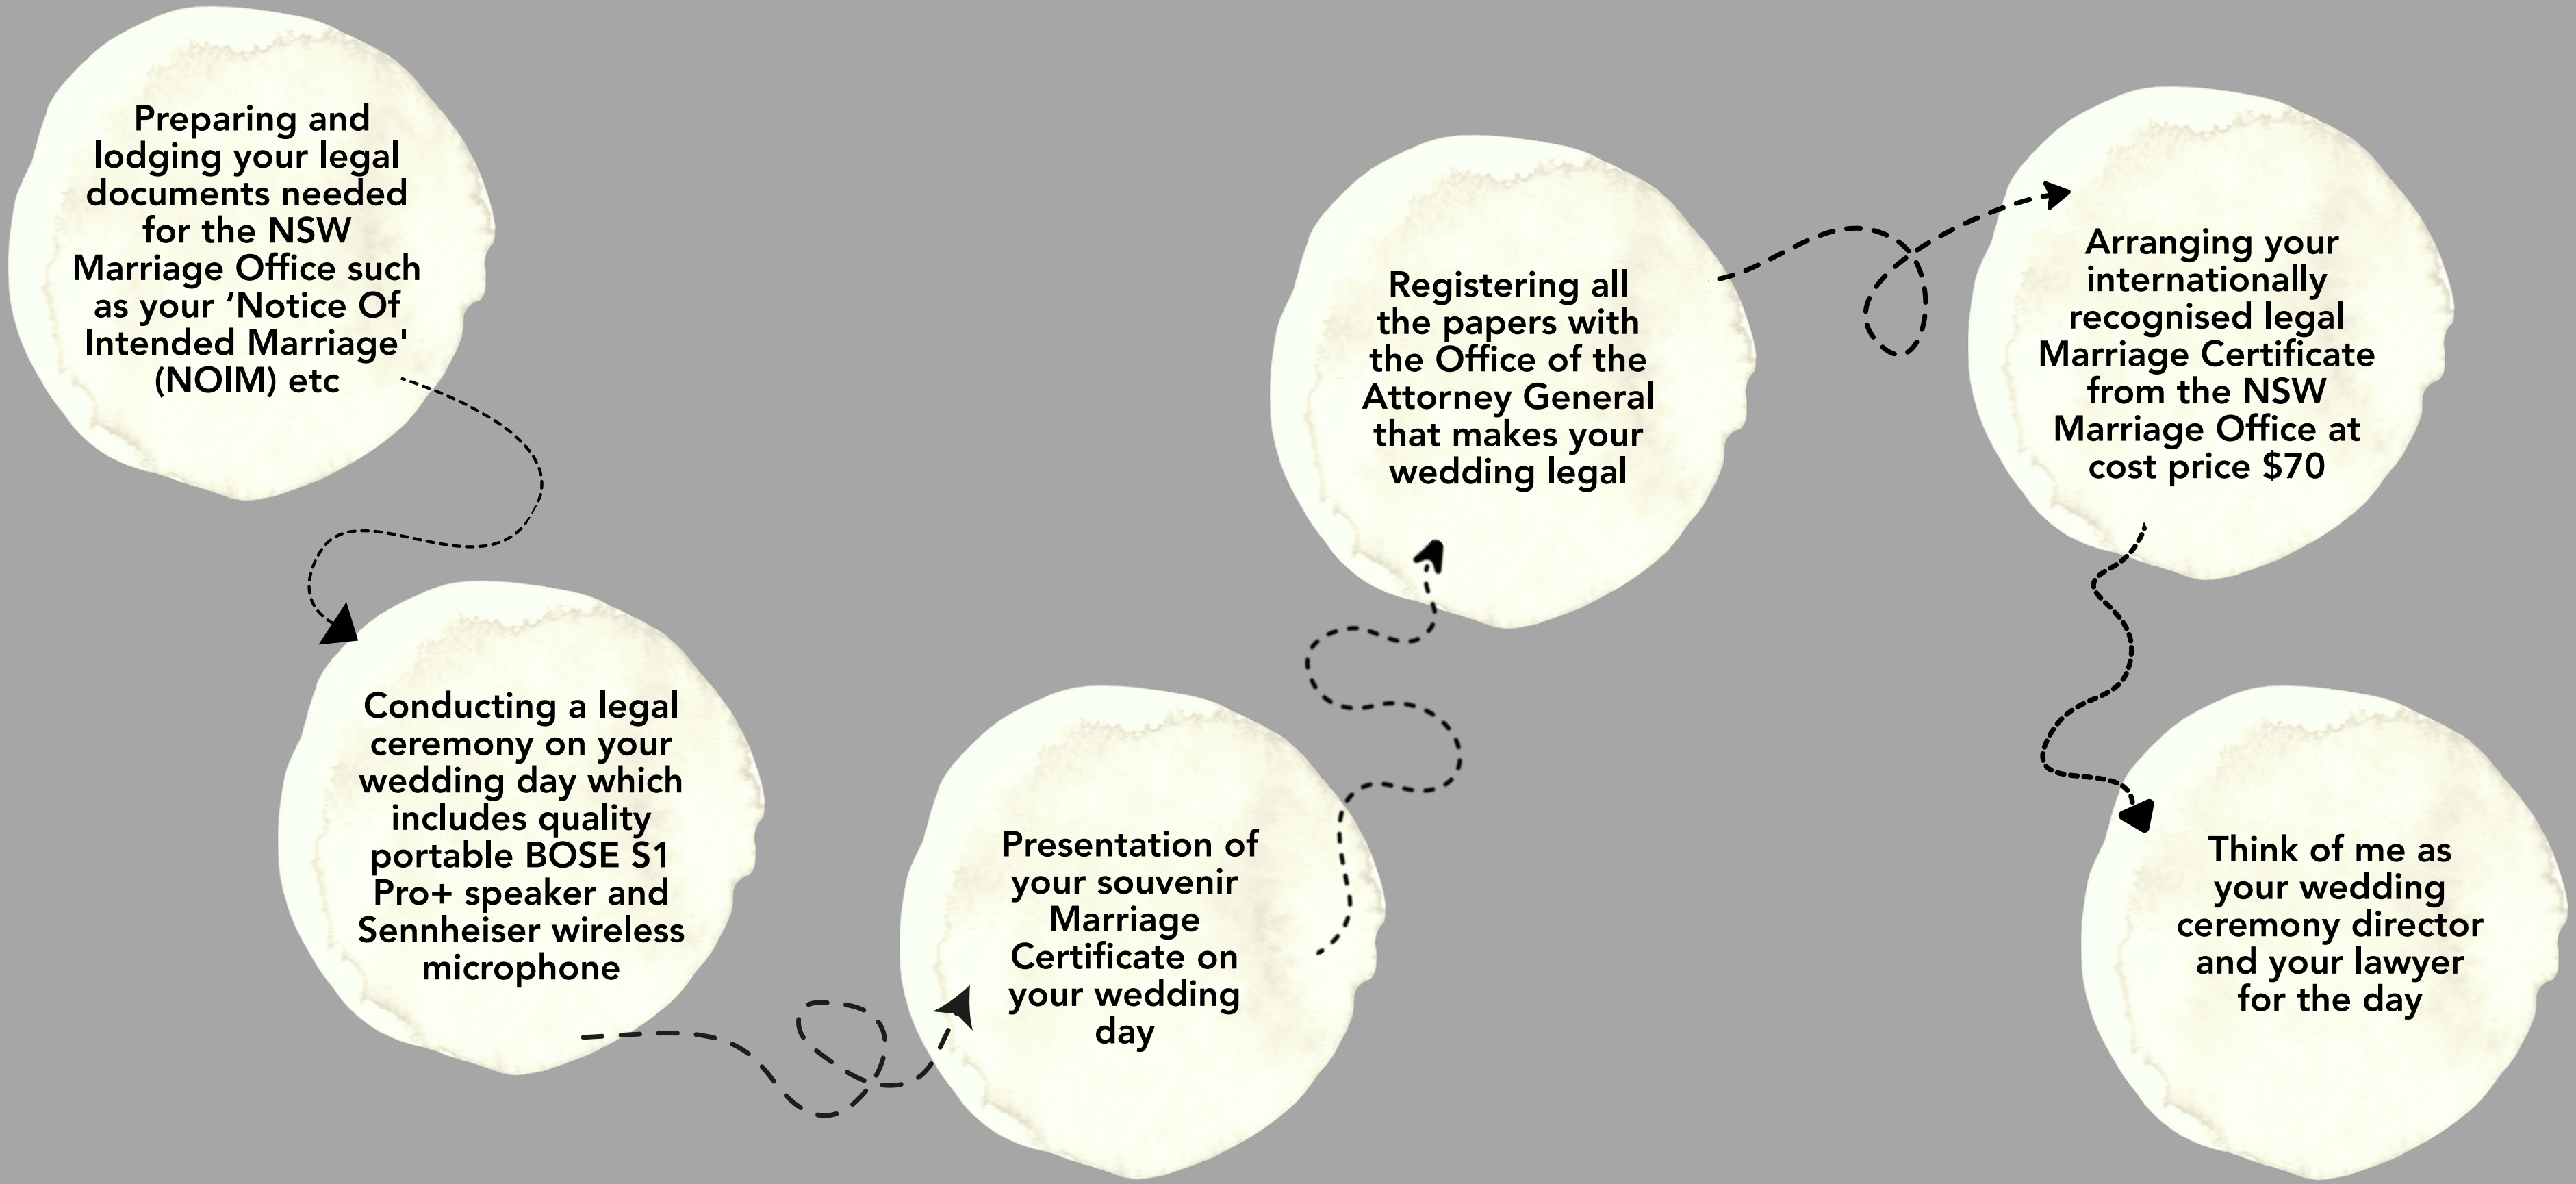

Conducting a legal ceremony on your wedding day which includes quality portable BOSE S1 Pro+ speaker and Sennheiser wireless microphone

Presentation of your souvenir Marriage Certificate on your wedding day

Registering all the papers with the Office of the Attorney General that makes your wedding legal

Arranging your internationally recognised legal Marriage Certificate from the NSW Marriage Office at cost price \$70

Think of me as your wedding ceremony director and your lawyer for the day

what's the first step?

The [Notice Of Intended Marriage \(NOIM\)](#) is legally required to be signed at least one calendar month before the wedding, but I like to get this out of the way early, and then we can work together to craft a ceremony that reflects your unique love story.

Note: I prepare the NOIM for you, and all your legal documents.

Some messages will be emotional and sentimental, some embarrassing, some slightly drunk and rambling, and they can leave multiple messages throughout the event.

All messages are downloaded and sent to you after the event. Enjoy the memories that will be sure to take you back to your wedding day every time!
